Re: U.S. Patent Appl. No. 09/900,241
for "AXIALLY-CONNECTED STENT/GRAFT ASSEMBLY"
Our Ref.: Kerr-5

Dear Ms. Vega:

Thank you very much for your helpful telephone calls in connection with the above-identified case. I am attaching two new pages for our Brief in connection with the above-identified matter. The first of these two pages includes the claims on appeal presented with the proper heading "CLAIMS APPENDIX". The second of the attached two pages presents the two new headings that were omitted from the earlier Brief.

Please give me a call if there are any requirements.

Very truly yours,

Gerald E. Hespos
